

GO TO "HELL" AND THE TURTLE FARM AND STINGRAY CITY SANDBAR.

Combine three of the best tours into one. First you will visit the world-famous 7 Mile Beach with its glistening white sand and crystal clear waters.

Then you will stop by the "Ol' Homestead", renowned for its' historical implication and classic old Caymanian architecture. Next, it is on to The Turtle Farm to view over 15,000 turtles, the only facility of its kind in the world. The farm raises turtles, not just for commercial use, but for repopulating

the species into the surrounding seas. Adjacent to the Turtle Farm is the Tortuga Rum Cake Factory, where you can purchase one of their famous Rum Cakes, featured on NBC and other shows.

Then is time to Go to "HELL". An incredible expanse of jagged rock formation, this site will enthrall you with what appears to be flames frozen into rocks. You can mail your postcards postmarked from "HELL" and purchase products exclusive to this site.

A major highlight of your trip will be Stingray City Sandbar. A twenty-minute boat ride takes you to the sandbar, where you will be in approximately waist deep water teeming with Southern Stingrays. You will have the opportunity to pet, photograph, and interact with these amazing creatures.

Your tour is on clean comfortable and air-conditioned buses. Your tour guides and boat crews will give you a true taste of "Cayman Hospitality" knowledgeable and friendly, they will leave you with fond memories and a smile on your face. The Caymanian Land and Sea Cooperative Society Ltd. Your first and best choice in Cayman shore excursions.
