Off the Wall Divers specializes in custom dive trips for small groups of 2-8 divers.
We offer full scuba training; resort courses, full certifications and Nitrox certifications.
Off the Wall Divers caters to computer divers, offering extended bottom times.
Extended bottom times with ample surface times allow for an extended second dive.
Our small groups allow us the flexibility of start times and special requests. We make daily trips to the best reefs and walls in Grand Cayman plus specialty trips to sites rarely visited.
Complimentary transportation along Seven Mile Beach, gear storage and rinse.
Our smaller dive groups allow us to tailor the dives to fit your desires and abilities.
Ask us about our mangrove boat eco tours for the whole family, divers and non-divers alike.
